

Dear All

The Animal Genomics group at the Institute of Agricultural Sciences, ETH Zuerich, invites applications for a fully-funded PhD position in Statistical Genomics / Computational Genomics.

While we are primarily recruiting for a doctoral student, this post is in principle also open for Postdoctoral researcher. Thus, postdoctoral candidates are also encouraged to apply.

The position is available for 4 years with an anticipated start date of June 1st, 2022 (negotiable). The position is based at ETH Zuerich, Switzerland. Salary and social benefits are internationally highly competitive and will be provided according to ETH Zurich rules.

For further information regarding the Animal Genomics group, ongoing research projects or about ETH Zuerich in general, please visit our website (<http://www.ag.ethz.ch>) or contact Prof. Hubert Pausch at hubert.pausch@usys.ethz.ch (no applications).

Please find more information about the position and submit your application online at: https://jobs.ethz.ch/job/view/JOPG_ethz_Mnm0BvHvZCAEZmlitu

We look forward to receiving your application until March 15, 2022.

Best wishes,

Hubert Pausch
